Founder  
Dorothy McIntyre

Thank you for donating to the People's Resource Center this past year. Know your generous contribution has made a significant impact on many of the people in DuPage County that we serve.

Our Basic Programs; Food, Clothes and Social Services assist our clients with their most basic needs. Our Empowerment Programs; Adult Literacy, Computer Training, Job Assistance and Art, help many of our clients get on the path to self-sufficiency. We could not do this work without the generous support from people like you.
